jm.ruby.report()

prints the info about current version of ruby

jm.ruby.describe()

Prints ruby version under test

js.jemalloc.detect-or-exit()

detects jemalloc or exits

jm.jemalloc.stats()

prints jemalloc statistics if jemalloc is available

jm.jemalloc.detect-quiet()

returns 0 if jemalloc was detected or 1 otherwise

jm.jemalloc.detect-loud()

detects if jemalloc is linked and if so prints the info to output

usage()

Prints the help screen and exits

install-direnv

Overview

Add direnv hook to shell RC files

Index

- [direnv.register\(\)](#)

direnv.register()

Add direnv hook to shell RC files

regen-usage-docs

Overview

Regenerates USAGE.adoc && USAGE.pdf

Index

- [pdf.do.shrink\(\)](#)

pdf.do.shrink()

shrinks PDF

Index

- [manual-install\(\)](#)

manual-install()

Manually Download and Install ShellCheck
